***You do routine maintenance to take care of your car. How about your family?***

Your family requires routine maintenance as well to prevent a breakdown. Everyone needs regular refueling: nutrition, sleep, and fun! When there is a problem, which tools will fix it?

**Susan A. Tracy, M.Ed.**, nationally known educator and lecturer will share the most requested of her parenting tools in an event for Moms and Dads.

Learn effective tools for **preventing** and **solving behavior issues**. This is practical, effective information based on years of observation, practiced with Susan's four children, and applied in hundreds of families Susan has helped over the years.

*Free Admission - Childcare provided – Free Refreshments*

Following Susan's presentation, interested parents will have an opportunity to learn about 21<sup>st</sup> century education at Montessori Academy and tour our beautiful six acre campus.

A community-based  
non-profit school since 1971  
serving children age  
3 through eighth grade.

*Hosted by:*
