

## Service Connections: A Directory by Montessori Academy of Batavia

Advertise your service by being listed in our school's service network: "Service Connections"-our version of the "YellowPages". We are developing a directory of services provided by Montessori Academy of Batavia families and friends. This directory will be available to our school families and distributed in our surrounding communities. Using a service that you know and trust is important. This is also a great way to connect with and support one another!!!

To be included in our service network directory, please submit your service profile by **Friday, February 20, 2009** to Miss Stacie Benjamin, 595 S. River St, Batavia, Illinois 60510. Contact Miss Stacie with any questions 630-879-2586 or SBenjamin91@aol.com.

Please print clearly!
